When you send a message or use data, the transaction time is captured in your local U.S. time. When you make or receive a call while outside the U.S., the transaction time appears on your bill in the time zone of the country you visited. For the calculation of your 24 hour International Day Pass, calls will also be converted to your local U.S. time zone.

Monthly rate plan charge notice
Starting April 24, 2026, your Unlimited Your Way monthly plan charge will increase by $5 per phone line. As part of this change, you'll get an additional 10GB of hotspot data per month, making it easier than ever to stay connected and do more of what you love. No action is needed to continue enjoying your current plan. For more information or other wireless plan options, go to att.com/attunlplans

For more info, go to att.com/intlcalling

When traveling abroad without an international roaming feature or rate plan that covers that destination, calls from Canada and Mexico will be $2/minute, and calls from all other destinations will be $4/minute.
