News you can use

Notice of updated terms
Effective 11/1/26 (or earlier if you change or obtain new service before then), we've updated the AT&T Consumer Service Agreement, which you can review at att.com/ConsumerServiceAgreement. It includes updates to sections 1.3 and 1.12, which outline where and how we'll resolve any disputes between us, including by arbitration. By continuing to use our services, you accept and agree to be bound by the updates. If you do not agree, see att.com/CSA for details, available options, and deadlines.

Services outside the U.S.

When you send a message or use data, the transaction time is captured in your local U.S. time. When you make or receive a call while outside the U.S., the transaction time appears on your bill in the time zone of the country you visited. For the calculation of your 24 hour International Day Pass, calls will also be converted to your local U.S. time zone.

Important information

Late payment fee

The late payment fee for consumer wireless bills not paid in full by the payment due date is up to $8.00.

Electronic check conversion

Paying by check authorizes AT&T to use the information from your check to make a one-time electronic fund transfer from your account. Funds may be withdrawn from your account as soon as your payment is received. If we cannot process the transaction electronically, you authorize AT&T to present an image copy of your check for payment. Your original check will be destroyed once processed. If your check is returned unpaid you agree to pay such fees as identified in the terms and conditions of your agreement, up to $30. Returned checks may be presented electronically. Company fees & surcharges

AT&T imposes additional monthly fees on a per line basis, including:

- An Administrative & Regulatory Cost Recovery Fee (to defray certain expenses including charges AT&T or its agents pay to interconnect with other carriers to deliver calls from AT&T customers to their customers, charges associated with cell site rents and maintenance, and costs it incurs to comply with certain government-imposed regulatory requirements, including but not limited to Wireless Number Portability and Number Pooling, and E911).
- Federal/State Universal Service Fees to help AT&T recover mandatory contributions it makes to federal and state universal service funds.
- State/Local Cost Recovery Fees to help AT&T recover taxes and required payments levied on AT&T by states and local governments.

These fees are not taxes or charges that the government requires AT&T to collect from its customers. See att.com/mobilityfees for details.
